Sabyna Sterrett: State of Emergency

By The Art League (Open Post) - (<http://patch.com/users/the-art-league>) January 9, 2013 8:15 pm ET
(<https://my.patch.com/article/15124291/edit/edit>)

Born in the Deep South, Sabyna Sterrett spent her early life listening to Southern storytelling, which eventually became a part of her visual lexicon as an artist. After working as a commercial artist for a publishing company and concentrating on fine art by studying drawing and painting, Sterrett turned her focus to mixed media (woven contemporary fiber art, fabric, found objects). Her solo installation at The Art League, "State of Emergency," will feature repurposed and recycled plastic bags, which have been woven, hooked, and crocheted together in unique ways. [Click here for more information about the exhibit.](http://www.theartleague.org/content/sterrett2013) (<http://www.theartleague.org/content/sterrett2013>).

Exhibit dates: March 7-April 1

Opening reception: Thursday, March 14, 6:30-8:00 pm
